I, _____(print name), hereby acknowledge and understand that even with the best training, skill and experience, a medically trained professional is not always capable of solving my medical problems. Therefore, I understand it is important that any and all recommendations by doctors are followed completely in order to increase the likelihood of a positive and healthy treatment/outcome.

OUR FINANCIAL POLICY

Thank you for choosing us as your health care provider. We are committed to your treatment being successful. The following is a statement about our Financial Policy which we request you read and sign prior to any treatment.

REGARDING INSURANCE:

All copayments are due at time of service. If we are a participating provider with your insurance company, we will be happy to submit your claim. We accept usual and customary rates from the insurance companies; however you will be responsible for any co-pays, co–insurance, or deductibles due to us. If your insurance plan requires you to obtain a referral from your Primary Care Doctor, and if that referral is not given to the office at the time of service, you may be financially responsible for that office visit. In the event that your insurance coverage changes to a plan where we are not participating providers, you will be responsible for the balance at the time of your visit. Regarding Medicare, we do accept assignment. However, if you do not have a supplemental insurance, the 20% co-insurance is your responsibility and due at the time of service. We do not accept Cobra, Workman's Comp., or Auto/Accident Insurance**. As an ears, nose, and throat specialty office, it may be required for the physician to use diagnostic instruments to achieve a treatment plan. You're insurance company may categorize this as a surgical procedure. Based on your insurance and the type of plan you have, this may require us to bill you for this procedure.**

FINANCIAL INTEREST DISCLOSURE

Public law/rule of the State of New Jersey/Board of Medical Examiners mandates that a physician, podiatrist and all other licensees of the Board of Medical Examiners inform patients of any significant financial interest held in a health care service. Accordingly, take notice that practitioners in this office do have a financial interest in the following health care services to which patients are referred:

BEY LEA AMBULATORY SURGICAL CENTER

You may, of course, seek treatment at a health care service provider of your own choice. A listing of alternative health care service providers can be found in the classified section of your telephone directory under the appropriate heading.

CANCELLATION POLICY

We reserve the right to charge a patient **$25.00** if they do not show for their scheduled appointment, or if a patient cancels less than 24 hours prior to their appointment. We will not charge you this amount in the case of an emergency or work/school related issue for the first incident.

ASSIGNMENT OF BENEFITS:

I hereby authorize assignment and payment of all my medical and/or surgical benefits, to include major medical benefits to which I am entitled, including Medicare, private insurance, and other health plans, directly to Ocean Otolaryngology Associates. I have read the Financial Policy. I understand that I am financially responsible for all charges whether or not paid by said insurance.
